

ABOUT THE NEAC – ART AND RESEARCH CENTER

NEAC is based in the old and beautiful old Palace of the Samsheer Family, in Lalitpur. Close by Patan, which is known as the fine art city of Nepal.

We are a non-profit art, project and research center for professional artists and provide an artist-in-residence (AIR) program for artists of all disciplines: painting, 3 dimensional, design, music, writing, theatre, dance, multimedia, architecture etc.

There are many spacious areas available: rooms, studios/workshops and project rooms.

We are providing a cultural exchange with local Artists, Craftsmen and Art Students. Some possibilities include:

- Lecture at our Artist Residence
- Exhibition and/or presentation
- Debate with Artist, Art students and Art Lovers
- Studio visit by established Artist
- Follow workshops in traditional Nepali Art (Thangka drawing, Wood Carving...etc.)
- Excursion in Nepal

ABOUT US

We stand for professionalism
pleasant ambiance
informal atmosphere
focused work spot

We have affinity with:
passion, authenticity, developing processes, experimenting, research, and interaction between different artistic fields.

We give every possible support for a successful stay: artistic, technical, logistic, diplomatic, social, and gastronomic: screening, preparation of space; accompanying of projects, feedback sessions and technical assistance on request; expertise, intake, placement, acceptance letters and certification; daily breakfast, options for dinner.

HOW TO APPLY

Selection based on quality and suitability of the project; to what extent it matches the potential and aims of the residence, in order to make it successful.

Application for professional artists:
